- Python
- Assembly

EXPERIENCE

Finance of America, Horsham, PA

Assistant Facilities Manager (January 2017 – February 2020)

In this position I was responsible for taking inventory of office supplies and ordering supplies that were running low(i.e printer paper, printer ink, bathroom supplies/supplies for the cleaning crew). I was also responsible for keeping the office tidy and making sure the advisors and other employees in the office had what they needed to do their job. Additionally, I was also responsible for hiring contractors for building repairs/modifications/grounds keeping and snow removal.
